

## Curriculum intent

- The intent of the enterprise and business studies curriculum is that all students develop strong business acumen which is underpinned by a deep understanding of key business concepts. This will support students to be aspirational and successful when they progress into the world of work.
- Through the enterprise and business curriculum, students will also be able to develop an enterprising and ambitious character which will enable them to embrace the range of opportunities that the subject can provide throughout their future.

## Threshold Concepts | Students will *know* and *understand*...

|                                    | Customer Needs                                | External Factors                                                  | Product Design                                                           | Marketing and Market Research                                                                      | Finance                                                      | Enterprise                                                                                          |
|------------------------------------|-----------------------------------------------|-------------------------------------------------------------------|--------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|--------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|
| Year 10 Coursework                 | Customer Profile<br>Market segmentation       | Political<br>Economic<br>Social<br>Technological<br>Environmental | The design mix<br>The design process<br>Designing and improving products | Creating and conducting market research                                                            | Financial analysis of a business proposal                    | Entrepreneurship<br>Business proposals and planning                                                 |
| Year 11 Coursework and Examination | Customer Profile<br>Understanding an audience | Political<br>Economic<br>Social<br>Technological<br>Environmental | Creativity of branding and advertising designs                           | Suitability of market research methods<br>Branding<br>Advertising methods<br>Promotional campaigns | Business finance calculations<br>Sources of business finance | Pitching and Presenting skills<br>Entrepreneurial characteristics<br>Risks and reward of enterprise |

## Procedural Knowledge | Students will learn and practise *how to*...

- Identify a customer profile
- Create market research materials
- Conduct market research
- Present and analyse research findings
- Create design ideas
- Gather and use feedback effectively
- Carry out financial calculations and complete financial analysis
- Assess the viability of a business proposal based on external factors
- Develop a brand identity

- Carry out market research
- Develop a business proposal
- Review financial viability
- Develop a brand identity
- Create a promotional campaign
- Plan and pitch a proposal
- Review a brand proposal, promotional campaign and pitch
- Create branding methods
- Create advertising methods
- Characteristics, risks and reward for enterprise
- Market research
- What makes a product financially viable
- Creating a marketing mix
- Factors to consider when starting and running an enterprise

# ENTERPRISE Big Picture Year 10

| Autumn 1                                                                                                                                                                                                                                                                                                                                                                               | Autumn 2                                                                                                                                                                                                                                                                                                                                                                               |
